6-19-17:

Learn. Practice. Share. The Red Cross Pillow Case Project will teach campers about being prepared for emergencies, how to practice what they have learned, while encouraging campers to share their new knowledge with family and friends.

6-20-17:

Pine Hills Golf Course has a disc golf course where campers will get a mini lesson on how to play disc golf. Then, campers will play 9 holes of real disc golf on an actual disc golf course!

6-21-17:

Preuss Pets staff will be giving campers a tour of their pet facility, showcasing a variety of animals, insects, and creatures. The campers will then attend an educational program focused on the food chain and lifecycle of bugs!

6-22-17:

Campers will be traveling to parks in the area to enjoy outdoor sports facilities and activities! Bugs Galore campers will be led along the Riverfront trail in search of different Michigan native bugs in their natural habitat.

6-23-17:

Hawk Island is a reoccurring field trip at Oak Park. Campers will participate in nature walks, field games, playground games, the Splash Pad, lake swimming and more! Counselors will make sure campers reapply sunscreen and bug spray throughout the trip.
